

The drawing illustrates a mobile diesel pump unit with the following components and dimensions:

- Top View Dimensions:**
 - Overall width: 110
 - Overall length: 110
 - Internal length segments: 150, 164
 - Internal width segments: 40, 40, 40, 40
 - Total internal length: 540
 - Total internal width: 700
- Side View Dimensions:**
 - Overall height: 1000
 - Top section height: 160
 - Bottom section height: 120
 - Base height: 10
 - Base width segments: 60, 70
- Labels and Materials:**
 - Poklopac:** Access cover
 - Vertikalna mobilna diesel pumpa:** Vertical mobile diesel pump
 - Tipski betonski rubnjak 8/20/100 cm (C 30/37):** Concrete curb
 - Podložni beton C 12/15:** Sub-base concrete
 - Podložni beton C 20/25:** Sub-base concrete
 - AB ploča (d=20 cm), C 30/37:** Reinforced concrete slab
 - Šljunčani nasip frakcije 0-32 mm, (d=15 cm):** Gravel fill
 - Uredeno temeljno tlo:** Prepared ground
 - Vrata agregata:** Aggregate door
 - Agregat:** Aggregate

Technical drawing showing the layout of a mobile diesel pump unit. The drawing includes a central rectangular area labeled "Agregat" (Generator) and a circular area labeled "Vertikalna mobilna diesel pumpa 1000l" (Vertical mobile diesel pump 1000l). The layout is defined by several concentric rectangles representing different levels or boundaries. Dimensions are provided for the overall size and spacing:

- Overall width: 600 (divided into 400 and 40).
- Overall height: 700 (divided into 540 and 40).
- Internal dimensions: 440 (width) and 540 (height).
- Spacing dimensions: 40 (width) and 40 (height).

Section lines A-A and B-B are indicated with arrows pointing to the respective sections.
